MORPHOSIS
ULTIMATE CARE

INSTANT LUXURY TREATMENT FOR SUPREME CARE OF HAIR

Revitalises and recreates natural hydration, acting as an instant perfecter of the fibre

MORPHOSIS ULTIMATE CARE

INSTANT LUXURY FOR SUPREME CARE OF HAIR

Lotus flower water and an exclusive complex of regenerating main principles are the base of **Morphosis Ultimate Care**, the treatment line that gives hair back its beauty in just a few intense minutes. Hydrate in depth, fill pores, close cuticles and smooth the hair surface: that is the extraordinary power of **Morphosis Ultimate Care**. An instant, visible result from the perfect harmony between nature and cosmetic science taking hair care to the highest quality standards.

STEP 1

SHAMPOO

Intensive revitalising shampoo for hair. Hydrates in depth, delicate on scalp.

With Total-Care Complex*, lotus flower extract and Color-Save technology.

TEXTURE

White fluid

HOW TO USE

Spread over wet hair, massage to get a soft foam. Rinse thoroughly and repeat if needed. Continue with ULTIMATE CARE MAXIMIZER.

500 ml bottle

STEP 2

MAXIMIZER

Instant perfecting serum for hair, works in synergy with ULTIMATE CARE TREATMENT, revitalising hair fibres in depth.

With Total-Care Complex*, lotus flower extract and plant micro-proteins.

TEXTURE

White cream

HOW TO USE

After ULTIMATE CARE SHAMPOO, apply 20 ml of product to towel dried hair spreading it uniformly with your hands or a comb. Leave on for 3-5 minutes and rinse carefully. Continue with ULTIMATE CARE TREATMENT.

500 ml bottle

*Total-Care Complex

An exclusive complex created by the Framesi Research Laboratories, for the general well-being of scalp and hair.

Formed by:

- **3 amino acids:** Arginine, Taurine, Tmg for a hydrating, revitalising effect
- **hyaluronic acid**, high and low molecular weight to hydrate scalp and hair in depth
- **olive oil by-product**, with softening, shining effect
- **ascorbyl tetraisopalmitate**, antioxidant for the scalp, repairs and shines lengths. Precious technological main principle. It can bind to the hydro-lipidic layer of the shaft, repairing cuticles and making it shiny and silky

STEP 3 TREATMENT

Treatment for total hair regeneration. With its formula, it recreates the fibre's natural hydration and hair is transformed instantly. With Total-Care Complex*, lotus flower extract and Color-Save technology.

TEXTURE

White cream

HOW TO USE

After ULTIMATE CARE MAXIMIZER, apply 20 ml of product to towel dried hair. Leave on for 3 -5 minutes and then rinse carefully.

500 ml bottle

ULTIMATE CARE HAIR TYPE / RESULT

- For all hair types
- Result: smooth, disciplined hair

THE PERFECT SYNERGY

- **Lotus flower water**
Lotus flowers are rich in polyphenols and phytosterols. Transformed into precious extract, they take part in scalp wellness, providing hydration and anti-oxidant, soothing main principles.
- **By-Product of Vitamin C (VC-IP Cuticle Repairing Agent)**
Stable by-product of vitamin C, acts as a powerful anti-oxidant making the shaft shine and giving the scalp well-being.
- **Color-Save technology**
Helps prolong color radiance and protect the keratin structure of hair.
- **Liquid crystals emulsion**
Spreads main principles into hair, squaring hydrating, reinforcing and repairing power.
- **Plant micro-proteins**
Hydrolysed plant protein (gluten-free) with low molecular weight and really high affinity to hair. Penetrates hair fibre in depth regenerating the shaft.
