Moii

Moii (I) + I

Moii is a combination of the initials from “minimal”, “optimum”, and “identity (individuality)” with “moi (I)” in French and “I” in English. We created this brand from our desire to keep pace with the daily life of mature women. We want Moii to be the brand that allows mature women to be themselves.

Moii 来自于 Minimum (精简)、Optimum (全能)、Identity (Individuality) (独特 (个体)) 的首字母与法语的 Moi 和英语的 I 的组合。为了紧跟现代成熟女性爱美日常需求, 希望可提升魅力、让自己更有品味, Moii 品牌从而形成。
