颜色保留配方

It prolongs color and allows you to enjoy beautiful colors during the fading process.
它使发色更持久, 让您享受美丽的褪色过程。

Coconut Betaine is the main active ingredient that helps to suppress the outflow of the color dyes, and the blue purple pigment is formulated to neutralise yellow undertones. These unique features made daily washing possible as it does not cause uneven colors nor staining to the nails.

椰子甜菜碱是有助于抑制彩色染料流出的主要活性成分, 蓝紫色素用于中和黄色底色。这些独特的功能做日用, 因为它不会导致颜色不均匀或指甲染色。

Unevenness to the damaged areas
对受损部位的不平均染色

Color stains on nails
染料污渍残留在指甲上

Infused with 「CMADK」
